LAKE GARDA (1 BOAT AVAILABLE):

BOAT GOZZO CUSTOM 29

*This beautiful and unique tailored made boat (1 of its kind) is offered in Lake Garda with **Captain Only**, by our partner company in this lake. The Captain is also the owner of the boat. His passion for sailing and ensuring you have an unforgettable experience, plus his high professionalism and knowledge of the lake makes him the best service provider on this wonderful lake (the biggest lake in Italy).*

For our Lake Garda tours the prices are on request. This is because being a bigger boat and the biggest lake in Italy we need to calculate, based on the number of people and the exact tour requested the fuel costs as the fuel cost will be included on the price. Our tour in Lake Garda is an exclusive an unique experience, recommended for couples, families and also it is possible to take small groups of up to 12 people.

In order to make you choose your tour easier, we have made different tour proposals, however we could also design a personalized tour should you wish to do so (i.e. honeymoon tour, business event, fireworks display, etc).

The meeting point on Lake Garda for the proposed tours is normally on the town of Salò (easy connection with motorway or public transport); however for all tours it is possible to arrange departure at your nearest point.

3. Tour of Garda and punta San Vigilio (Duration 3 to 4 hrs):

After reaching the fascinating Garda Island, we will cross the lake to the East and reach the beautiful Punta San Vigilio. You will admire Villa Canossa, theatre of the unlucky love story between the writer Gabriele D' Annunzio and the Marchioness Rudini. We will then go ashore in Garda for a short visit of the city. During our return trip we will see the Mermaids Bay (Baia delle Sirene) where there is one of the most famous beaches of the lake. We can stop for lunch.

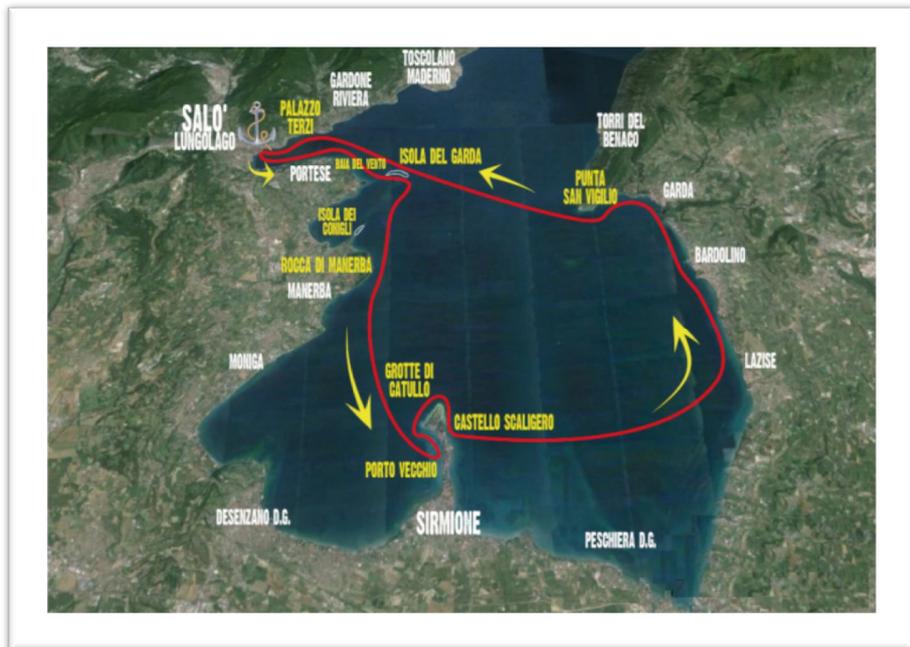

4. Tour of the Middle Lake, Gargnano (Villa Feltrinelli), Torre del Benaco e Isola del Garda (Duration 4 hrs):

We will sail in direction Gardone Riviera and Fasano, and then continue to north along the west side of the lake, brushing by the villages of Maderno and sailing along the coast of Gargnano with its famous lemon plantations. You will see Villa Bettoni and its gardens and the important Villa Feltrinelli facing the lake. Villa Feltrinelli was once the house of Benito Mussolini and now is a luxurious resort. We will cross the lake to its east side and reach the Benaco Towers, Mermaids Bay and Punta San Vigilio. While returning to Salò we will pass in front of Garda Island.

5. Tour of Lower Lake (Duration from 6 hrs)

We will sail from Salò and will brush all the main beauties of the lower lake. We will start from Isola del Garda and sail southwards to Sirmione, where we will stop for a quick tour of the village. Then we will proceed to the east lakeside to Lazise, Bardolino, Garda and the enchanting Punta San Vigilio. You will decide where to spend your time ... always in the maximum comfort and relax!
