### Use our local knowledge free of charge:

*As part of your boat rental booking with us, we offer our customers local advice and information at hand should they wish to use it. Whatever the help you need: information about local excursions in the area, best accommodation in the area to cater your needs, best restaurants, etc. Our advice is free and objective, telling you, from our own experience, the best option available in the area according to your needs. We want our customers to feel and be treated like a local when visiting our destinations.*

## Our 40 HP boats (without Captain **\*\*\***)

We offer to you 4 options of boats with a 40 Horse Power (40HP) engine, all FULLY equipped with radio and surround speakers (with Bluetooth connection), swimming ladder, USB charger, with a removable sunroof that can be driven with the sunroof open or closed. Boat 2 (Romar) and 3 (RIB BSC 50 RIB) also has a shower located at the rear, as well as a front sundeck. ALL OUR boats have been specially chosen with safety and comfort in mind. These boats can be rented without captain providing the driver has previous experience on motor boats or a boat license, this is for safety reasons at they can go quite fast (your experience will be checked during the briefing process).

**5. BOAT ILVER 30 (For Private Cruises with Captain for up to 9 passengers, it is a spacious Cabin Boat with WC and a lot of internal and external space, great for everyone from couples to families and groups, with the possibility for Boat & Breakfast for maximum 2 people).**

*This recently acquired spacious cabin boat is offered with Captain ONLY. You can do a tour with Captain from 1 hour onwards and you also have the opportunity to sleep on board on a Boat & Breakfast basis for 2 people (similar to a Bed & Breakfast but on this fantastic boat).*

The Founder & Director of Boat Rent Italy is also the captain of this fantastic boat so he would have the pleasure to look after you on your cruise. In case of light rain this boat also has a full cover.

**Price for the cruise with captain or for the Boat & Breakfast:** *Cruise prices and the Boat & Breakfast are on request depending on the amount of passengers, the tour requested and the distance travelled as our price on this boat includes the fuel used, for your comfort. You can do a cruise for a minimum of 1 hr up to a full day or a tailored cruise (sunrise cruise, sunset cruise, fireworks cruise, cruise and massage, boat transfer, etc). The departing town is Solcio (Lesa) but we are able to also pick you up at certain other locations (with a supplement).*

### **Boat Description:**

*Ilver Boats was a notorious and popular Italian Boat Maker who started building boats around 60 years ago. Their boats earned their reputation because of their excellent quality, safety, modern design, comfort, practicality and durability. This is their best Cabin boat model of 10 mts (with plenty of internal and external space with its 3.10 mts width) which has been recently acquired and refurbished by us to give you a unique on-board experience, whether taking a cruise or experiencing our Boat & Breakfast. This boat has a WC with sink, rear external shower, radio with BT and surround speakers, removable sunroof, 2 external sundecks, a spacious cabin, and a rain cover if needed.*
